(Approved AICTE, DTE, PCI Govt. of Maharashtra, MSBTE, SGBAU)

**PROSPECTUS 2017-18**

*Our Inspiration....*

**Rajmata Jijau**

## Secretary's Message

**Dear students,**

I welcome you to Nehru Yuva Krida and Sanskrutik Mandal Chikhli's, *Gawande College of Pharmacy, Sakharkherda*. As you are well known that the college is located in Educationally Backward District, we have tried to burn a flame of education, at this remote place. The opening of the college in this region is the huge relief for the learners who are in the search of technical and medical background and our college introduced facility of higher education within the circumference of 30 km, Opening College in such rural area was not less than adventure but thrust to serve society inspired us to do so.

**Prof. N. S. Gawande**  
*Secretary,*  
*Nehru Yuva Krida &*

*From the desk of Director*

**Dear Students,**

It gives me great pleasure to welcome you to Gawande College of Pharmacy, Sakharkherda. The College is committed to excel pharmacy education in teaching, training, and capacity building. The education also caters to develop technical human resource, novel approach and vision, development and training future health care professional in the field of drugs and pharmaceuticals. To communicate character education has always been an important objective of our education system. We have constantly endeavored to teach good values and good citizenship to the students. Quality education is about developing virtues and good habits, which lead students to responsible and mature adulthood. Education is not just a process of giving knowledge for a future job but also a lifelong process, which creates an understanding of moral and ethical values. The student centric academic infrastructure aims at overall development of the students and in developing outstanding skills. We hope to create an atmosphere of admiration for education and a healthy environment.

The common prospectus provides you the necessary information of the courses, eligibility criteria, duration, fee structure etc. I hope you will find the prospectus helpful in pursuing your studies in the college.

**Dr. N. N. Gawande**  
*Director*  
*Gawande College of Pharmacy*

### Introduction

Nehru yuva Krida and Sanskrutik Mandal, Chikhli, dist-buldana, was established in the year 1993. The society was established with the aim that it would provide quality education to the students' from the remote places, by running different educational institute's in the form of senior college, junior college, school, technical institute, Pharmacy College and Niwasi School etc. It also arranges competitive and cultures events for the youngsters and promotes them to participate in different extracurricular activities.

The society through its colleges organizes various activities in the form of tree plantation, blood donation camp, youth welfare camp. Through the society Honorable Dr. Nileshji Gawande laid the foundation of Gawande College of Pharmacy in the rural place Sakharkherda. Diploma in Pharmacy was started in the year 2015. B. Pharm. Degree Course has been started from the year 2017-18 and at present institute runs D. Pharm. & B. Pharm. Courses. The courses are started with the aim to provide better opportunities to the students coming from the remote areas. The college has well developed infrastructure, with well developed laboratories, well qualified teaching faculty and supporting staff.

The college has been recognized by All India Council for Technical Education (AICTE), New Delhi and Pharmacy Council of India (PCI). College is affiliated to Sant Gadge Baba Amravati University.

**Section - 02**  
**Available Courses**

**Diploma in Pharmacy (D. Pharm.)**

**Intake Capacity – 60**

**Duration - 02 years**

Diploma in Pharmacy was started in 2015-16 with the intake capacity of 60 students. The effective teaching has been made more effective by classroom lectures, demonstration, illustrations, lab assignments with audio-visual aids, projects, study/industrial tours, seminars and other activities.

The infrastructure facilities include fully equipped laboratories as per AICTE norms, along with sophisticated equipments, machines computers and softwares. Also, the college has highly qualified and dedicated teaching and non teaching staff and acknowledged in teaching and in industry.

**Eligibility for first year D. Pharm.**

For admission in first year D. Pharm, the candidate should have passed the H.S.S.C. examination (XII) of Maharashtra State Board of secondary & Higher Secondary Education or any other examination equivalent to the board examination with English, Physics, Chemistry & Biology/Mathematics.

**Examination**

The course of Diploma in Pharmacy is of 2 years after H. S. S. C. based on yearly pattern. The examination is conducted at the end of each academic year by MSBTE. Internal Sessional examinations are conducted regularly every year and the marks obtained in these Sessional examinations carry 20% weightage in board examination. Students have to secure at least 40% marks in each theory subject. Also 40% marks are required in the Practical to pass the examinations.

**Industrial Training**

After successful completion of two years course a student is required to undergo practical training of 8 week in medical shop/hospital. After successful completion of course & training the candidate is awarded Diploma in Pharmacy by Directorate of Technical Education, Maharashtra State, Mumbai which is recognized qualification throughout the country.

## **SUBJECTS FOR DIPLOMA COURSE (D. Pharm.)**

### **First Year D. Pharm.**

1. Pharmaceutics I
2. Pharmaceutical Chemistry I
3. Pharmacognosy
4. Bio Chemistry & Clinical Pathology
5. Human Anatomy & Physiology
6. Health Education & Community Pharmacy

### **Second Year D. Pharm.**

1. Pharmaceutics II
2. Pharma Chemistry II
3. Pharmacology & Toxicology
4. Pharmaceutical Jurisprudence
5. Drug Store & Business Management
6. Hospital & Clinical Pharmacy

### **Laboratories available as per Curriculum**

1. Pharmaceutics Laboratory
2. Pharmaceutical Chemistry Laboratory
3. Hospital & Clinical
4. Pharmacology Laboratory
5. Pharmacognosy Laboratory
6. Human Anatomy & Physiology Laboratory

### **List of Learning Recourses available**

1. Books
2. Journals
3. Charts
4. Transparencies
5. C.D.'s
6. Lecturers Notes
7. Question Banks
8. Models & Specimens
9. Microscopic Slides
10. Projecting Slides

## **2. Bachelor of Pharmacy (B. Pharm.)**

### **Intake Capacity – 100**

### **Duration - 04 years**

Bachelor of Pharmacy is started from the session 2017-18 with the intake capacity of 100 students. The course offers jobs, business and entrepreneurial opportunities in the field of manufacturing, selling quality control, research & development of medicines, government jobs in food and drug administration and in hospitals. The demand of the pharmaceutical industry is exceeding than the availability of the professionals. So to meet the demand of the industry the college trains the students with efforts.
